How to book. Send us the items and your date on WhatsApp (0799 905 600) or through shereheevents.co.ke. We return an itemised quotation including transport. A 50% M-Pesa deposit secures the date.

Why these prices are published. Most Nairobi suppliers quote on request. We publish because a client comparing suppliers can only compare the ones who show their numbers — and because we own our inventory, our fleet and our crew, so nothing here is sub-hired at a markup we would have to hide.
